Shire Insurance Services

Shire Insurance Services offers a wide range of competitive general insurance products combined with speedy claim settlements, dedicated customer-orientated experts and an efficient client support network.

Protect what's important

Shire Insurance Services understands that the appropriate cover can become expensive so you need to know you're getting the best advice. Whether it's your business insurance or something personal to you, the team is available to help.

Our Promise

Right from initial contact, Shire Insurance promises to make life as easy as possible when it comes to arranging insurance. Excellent links to the UK's major insurers means they can search the market to provide you with the best cover, at the best possible price and representatives take time to understand your business, the issues that are specific to your company and to your sector.

Out of hours emergency assistance provides clients with direct access to insurers, approved repairers and, if required, assistance from a carefully selected panel of loss adjusters.

Bespoke Insurance Solutions

Shire Insurance has an excellent reputation and portfolio of products in the Veterinary sector. These range from Surgery Insurance to Professional Indemnity, and this extends to Architects and Solicitors alike. For Private Medical Insurance, experts are available to review your current policy and strive to make you a saving, without compromising cover.

Claims Settlement

Once a claim is logged with the Claims Handling team they pro-actively ensure the matter is dealt with quickly, efficiently and as pain-free as possible.

Some clients want the cheapest quote. Others want the best quote. Shire Insurance Services' aim is to make this the same thing.
